

# Lifespark Stammtisch in Zurich on Saturday May 25 2019, 14:00

Restaurant Rheinfelder Bierhalle, Niederdorfstrasse 76

## How to get there:

From Zurich main station cross the bridge to Central. Turn right past Starbucks into Niederdorfstrasse. After approx. 150m turn left into No. 76, the Bierhalle. The entrance to our room on the first floor is on the right side of the beer hall next to a CD shop, in the picture with yellow writing on the disc. So don't go through the main entrance into the restaurant!

We look forward to exchanging ideas with as many of you as possible, to discussing and simply meeting each other in person. The meeting is completely informal: everyone should come and go as they please. We have a room to ourselves, so we will be undisturbed. Those who want something to eat or drink will be served by the restaurant staff, but there will be no obligation to buy drinks or food.
