## Invitation to celebrate the **25<sup>th</sup> anniversary of lifespark**

**When: February 17, 2018, 4.30pm to 8pm**  
**Where: Bern, Kath. Hochschulseelsorge aki**  
**Alpeneggstrasse 5, 3012 Bern**

### **Detailed information:**

Our organization, lifespark, has been founded 25 years ago, by three Swiss women who had a goal and a vision: support death row inmates with contacts from the outside world and fight against the death penalty. Let's celebrate together this quarter of a century of existence!

You are invited to an evening full of surprises. We will show movie extracts and will afterwards discuss them with great and impressive guests, listen to live music performed by our sister organization Inmates Voices and enjoy mingling with other members during a cocktail and buffet. Further information (such as a detailed description on how to get there etc.) will follow soon. We are about to organize a great event for all of us in order to celebrate.

Please note that your partner is more than welcome to join. We kindly ask for a voluntary fee donated at the evening. Please sign them up as well.

And if you are coming from far – take the opportunity to explore the city of Bern! Financial travel support will be offered.

### **Your support is needed:**

Please sign up as soon as possible at the pre-registration in order to help us estimate how many members will join this event to facilitate the organization (food and drinks need to be ordered etc.).

We are looking for volunteers who help us guiding attendees to the event from the central station and back. We also appreciate if we find some members who help setting the room up and also bringing the room in its original condition after the event.

Please sign up as soon as possible by clicking [here](#).
