Dear Susanne,

Merry Christmas!:-) I send you and those at Lifespark my best thoughts with this letter. Thank you for sending me the Christmas card. I appreciate it.

Thank you for letting me know that you are still trying to find a pen pal friend for me. I really appreciate your effort to do so. I enjoy corresponding with people and making new friends. It's hard to meet new people while in this kind of situation, but I do my best to do that. Friendship is very important, and I cherish the good friendships I have built with others that I correspond with.

I don't know if I mentioned this to you before or not, but I wanted to mention it in this letter. I am a writer and have self-published, with my friend Bruce's help, some novels and screenplays as ebooks. I'm trying to get the word out about them. Here are the titles:

Where Are You Christmas (screenplay)

The Sorcerer's Legacy (novel)

Shifter (screenplay)

High Heels & Horsepower (screenplay)

Entity (screenplay)

Staci Fox (screenplay)

Freebird (screenplay)

My other novel titled Savage Beast will be published/available as an ebook by the end of this month or some time next month.

We published them as ebooks through Lulu.com, but they are also available through Amazon.com, and a few other ebook retailers. If you can help spread the word about them online I'd appreciate it. We are trying to spread the word, but any help we can get would be appreciated. I just want them to do well as ebooks, because I worked hard on them.

I also have a Twitter page is you would like to check that out. My handle is as follows:

@timlee72

Bruce set that up for me, and there is a link on it to my Facebook page. I'm really grateful to him for setting those things up for me. I'm trying to bring positive attention to myself.

Thank you for taking the time to read this. I wish you all the best, and I hope 2018 will be a really wonderful year for all of you and for me.

Gotta go.

Later.

All my best,
